DOCKET ROOM

MEMORANDUM

TO: Chairman Sara Kyle
FROM: Pat Miller, Director *PM*
DATE: September 24, 2002
RE: Application of Broadband Innovations, LLC for a Certificate to Provide
Competing Local Telecommunications Services

Docket No. 02-00819

It has come to my attention that I have been assigned to the voting panel that will deliberate the issues and render a decision on the application in the above captioned docket. In my role as a member of the legislative staff, I had extensive contact with persons who represented the interests of the parties in this docket. The discussions with these persons naturally involved some of the issues that may arise in this case. As a result, I must recuse myself from participating as a member of the voting panel in this docket. I am filing a copy of this memorandum in the docket file and requesting that another Director be assigned to replace me as a member of the voting panel in this docket.
